# ALLAH

Allah is our Lord, he is one.  
He has no partners and no son.  
Allah created everyone including you,  
He created our friends and family too.

Allah needs no sleep or rest,  
He gave us this life as a test.  
Allah is the most merciful and kind.  
He put Islam in our hearts and mind.

Allah created the heavens above,  
He made Islam which we all love.  
Allah made paradise and Hell,  
an eternal home to forever dwell

# ALLAH

Allah is the one and only true god of all mankind. He is the god of Musa, Isa and all the prophets.

Allah created everything and it is Allah that keeps everything running smoothly.

Allah is the only being worthy of worship. Many people worship and obey idols. Muslims only worship Allah.

Allah does not require anything from us and doesn't require food or rest like humans. He is free of all needs.

Allah is one and he does not have any partners or family. He has always existed and always will.

Allah is the master of the day of Judgment and we will have to answer to Allah when we die.

Allah is not like anything we can see or imagine. Allah has 99 names which help us understand Allah better.

**Gafoor (Most Forgiving);** Allah can forgive anyone, no matter how many mistakes they have made.

**Qadeer (Most Powerful);** Allah has the ability to do anything he wills. Allah is the All powerful.

**Sami (All-Hearing);** Allah hears everything in creation, even in a persons heart, Allah knows about it.

**Malik (The Master);** Everyone and everything has to answer to Allah.

**Razaq (The Provider);** Allah provides all his creation with sustenance and meets all their needs.
