QURAN FOR KIDS

SURATUL KAAFIROON

- **The relation between the parts of Surat Al-Kafiroon and its theme:**

- Allah ﷻ ordered His Prophet ﷺ in Surat Al-Kafiroon to: announce that he is not worshipping what the disbelievers worship, and he will never do. This Sura showed us that the people are of two categories:

- Believers
- Disbelievers

→ (Believers): This Sura ordered the Prophet ﷺ (our model) to announce to the disbelievers that he didn't worship what Quraish worshiped nor he will do in the future.

→ (Disbelievers): This Sura ordered the Prophet ﷺ to announce the dissociation from what Quraish worship, and the differentiation between their religion and his religion.

- **The disbelievers of Makkah has made many offers to Prophet Mohamed pbuh, including wealth, women and kingdom to stop him from spreading his message.**
- **Then, they asked him to worship their gods for one year; in return, they will worship his god for a year.**
- **This surah responds to all their proposals definitely and decisively.**

- When Allah S.W.T declares that the disbelievers have been given enough chances to repent, then the believers migrate from that area and Allah delivers His punishment on the ones who deserve it.

This Surah was one of the last chances for the disbelievers to repent. Not long after the revelation of this Surah, the Prophet migrated with the Muslims to Madinah and the arrogant leaders of Quraysh suffered a crushing defeat in the Battle of Badr as a punishment for their crimes.

Virtues of this Sura

- **Prophet Mohamed pbuh has recited Surah Al Kafiroon and Surah Al Ikhlas in the sunnah prayers of both Fajr and Maghrib.**
- **Prophet Mohamed pbuh has advised his companions to recite it before going to sleep. He has told that this will protect them from polytheism.**
